### BOOK SUMMARY
This fractured fairy tale turns all of the characters into vehicles. With vivacious colors, illustrator Chris Gall makes this book come to life. The wolf, a monster truck, rolls off a cliff in the end and becomes a statue as the scooter, Little Red, celebrates being King of the Road.

### BOOK TALK
What would happen if the big bad wolf was transformed into a monster truck named Tank, and Little Red Riding Hood was a scooter? Read this fractured fairy tale to see what happens in this auto world.
