

ITA Press Policy

The Illinois Technology Association (ITA) supports the efforts of journalism across its many applications, from print to electronic media of all types. As media continues to evolve to meet the needs of today's mobile society, the amount of press requests to attend ITA events and programs grows.

In an effort to control the costs of ITA events and programs, invited press are welcome to attend on a case-by-case basis. The ITA will extend invitations in advance to each event on a timely basis. If members of the press would like to be considered, please submit your name, publication name, frequency, circulation, and target audience to press@illinoistech.org. The list will be reviewed on a regular basis with the most appropriate publication and circulation invited for each event.

As with all ITA programs, including Roundtables, TechBreeze, and other community events, non-members are welcome to attend up to 3 sessions as a sampling of the benefits of membership. After 3 events are attended, non-members are kindly asked to join the organization or will no longer be eligible to attend additional events.

If you have any questions on the Press Policy, please contact headquarters@illinoistech.org.
