Accountability

With some of the spectacular private sector failures over the past decade, there has been much ado about accountable organizations. Organizations in all sectors have been struggling publicly with how to become more accountable. Particularly, when things go wrong everyone wants to know who was accountable.

ICMCI Committee Reports

Note to ICMCI C'tee Chairs

The ICMCI Secretariat is working on scheduling training sessions with Committee Chairs in order to familiarize them with the use of the dedicated website areas for their committees.

The website is now set-up to function as our ongoing database and communications hub; and the Committee Areas is intended as the place for all documentation and tracking of committee activity.
