2022 SERVICE PROVIDER

Membership Benefits

Water Knowledge, Resources, and Community
80% of drinking water served by US utilities are AWWA Members

Build Expertise and Relationships in the Water Sector

Reach the Right Audience to Promote Your Products and Technologies
AWWA Service Provider Membership provides you with opportunities to build business relationships, develop qualified staff and demonstrate your commitment to safe, clean water.

➤ Stay informed on the latest water-sector trends and information
➤ Connect with decision makers
➤ Improve your organization’s performance with AWWA Standards
➤ Advance your staff’s technical expertise

Join AWWA
Service Provider Membership is for:
➤ Consulting and Professional Service Firms
➤ Manufacturers
➤ Distributors
➤ Construction Firms
➤ Contract Operations Firms
➤ Other Service Providers

Learn more at awwa.org/join
Connect With Decision Makers
Target the people you need to reach most: decision makers. Join a network of water professionals and have the opportunity to meet new clients and to build stronger relationships with current customers. AWWA hosts many networking opportunities that offer face-to-face time with industry leaders.

Expand your company brand recognition at a conference or tradeshow. Service Providers receive preferred pricing on:

➤ Exhibiting
➤ Sponsorships

Discounts on booth space and sponsorships at AWWA events may cover the cost of membership alone!

Boost your brand with the AWWA Member Logo. Service Provider Members in good standing may use the logo to demonstrate their ongoing commitment to the water industry with AWWA Membership. You will also receive 10 free listings in the AWWA Sourcebook, the official resource guide to water industry products and services.

Stay Informed
Water professionals must increasingly manage water in all its stages. Access the latest news and information about important topics like asset management, lead, and water loss at awwa.org:

➤ State of the Water Industry report
➤ Updates on regulatory developments
➤ Industry whitepapers
➤ In-depth articles

In addition, access resources covering 70+ topics. To see the breath and depth of resources available visit awwa.org/resources-tools.

Exhibiting at ACE
AWWA’s Annual Conference & Exposition (ACE) is the only water conference where representatives from every segment of the water industry come together. We invite you to join us and more than 12,000 global water professionals as we help shape the future of safe water. Make sure your company’s products and services are in front of the people who count!

➤ Dedicated Exhibit Hall hours for face-to-face contact with key water industry prospects
➤ Three complimentary exhibit booth staff registrations per 10’ x 10’ booth reserved, including access to professional sessions and networking events
➤ Access to attendee mailing lists for one free pre-show and post-show mailing
➤ Free listings in attendee printed materials, the interactive floor plan and the ACE Mobile App
➤ Exhibit Services Team to help you and your company have a positive conference experience

ACE20 exhibitor booths are only $3,625 for Service Provider Members. That’s a 30% savings compared to nonmember prices!

To learn more about exhibiting at ACE, visit awwa.org/ACE.
Access AWWA Standards
A complete set of AWWA Standards is included with your membership. AWWA has developed 170+ voluntary standards of quality benchmarks for materials, equipment, plant design and practices used in water treatment and supply. AWWA Standards are:

- Developed by industry consensus
- Subjected to a rigorous formal approval process
- Most used in the industry
- ANSI approved
- NEW! Available online for access 24/7/365

Membership in AWWA has been a great experience. I have been able to learn a lot more about the water and wastewater field which helps the communities I work in, while at the same time networking with other engineers, operators and product suppliers from all over the USA and Canada.”

Greg Lukasik
Project Manager
Great West Engineering
Billings, MT

Your Local AWWA Section
AWWA Membership includes membership in your local Section and provides access to:

- Local events, conferences and networking opportunities
- Region-specific news and information
- Training and discounted access to CEUs
- Ways to directly influence local water issues

Improve Performance
Lay the foundation for quality by applying water-sector requirements to your products and services. A complete library of AWWA Standards is included with your membership, along with regular updates.

Sharpen Staff Skills
Ensure your team’s knowledge is on par with its responsibility. Extensive training opportunities exist in your region, both in-person and online. All your employees may access a discount of up to 30% on technical training materials, books, CEU/PDH-qualified courses, and more.

The Service Provider Membership affords the opportunity to assign an Individual Membership to an allotted number of employees. Signing up your staff allows them to receive the following:

- Water Service Insider Newsletter
- Journal AWWA Magazine
- Opflow Magazine
- AWWA Water Science
- AWWA Connections Newsletter
- Section Membership
- Voting rights and more

Discounts and memberships help retain or attract new employees by showing you are invested in furthering their careers in the water industry.

By joining AWWA, an account is created using the personal information submitted on this application and you agree to our Privacy Policy (awwa.org/Privacy-Policy). By providing this information, you grant AWWA authorization to keep and use that information to provide services relevant to water industry professionals, including member benefits. Your communication preferences can be updated at any time at www.awwa.org under “My Account.”

Signature

Date
Benefits

Your benefits package includes:

- Robust suite of communications and tools
- AWWA Standards
- Guaranteed number of Individual Members
- Discounts for all employees

AWWA Standards

Your membership provides you with free access to a complete library of current AWWA Standards on envoi. Please contact us if you have questions about access to envoi by emailing us at membership@awwa.org.

AWWA Standards describe the minimum requirements for products and processes. By using Standards, you are laying the foundation for quality.

Individual Memberships

Assigned individual members receive: Journal AWWA, Opflow, AWWA Water Science, Water Services Insider, AWWA Connections Newsletter, Section Membership, voting rights and more. All individual members associated with your organization have access to envoi.

Your allotment of members includes the main contact for the membership listed on this application. Please send a list of assigned members to membership@awwa.org and include full name, title, address and email.

AWWA will follow up with the main contact to complete your benefits selection process.

Tell Us About Your Company

Dues rates valid through December 31, 2022. Dues are not deductible as charitable contributions for income tax purposes. Dues may be considered ordinary and necessary business deductions. The following is for USPS periodical mailing requirements only. In some AWWA Sections, a portion of the Section allotment equal to 50% or more of the domestic subscription rate charged for the Section periodical will be allocated toward a subscription to that periodical. Allocation for each publication recipient authorized—Journal AWWA—$50; Opflow—$16. Members with APO/FPO addresses will receive e-periodicals only. NOTE: Members’ personal information is protected under AWWA’s Privacy Policy.
Learn more at awwa.org/join

AWWA continues its legacy of providing standards and leadership to the water industry, and brings us together as individual professionals with common objectives. The industry is made up of wonderful people who are committed to providing safe water to their communities and nations. We need you to join with us. Bring your stories and strengths to this global Association of experts, as you build your relationships with other great people in AWWA.”

Share Your Expertise
Showcase your knowledge to people engaged on the same topics. Presenting at a conference, writing an article for Journal AWWA, Opflow, or AWWA Water Science and volunteering on a committee are great ways to build connections with people interested in the work you do.

About AWWA
Established in 1881, the American Water Works Association is the largest nonprofit, scientific and educational association dedicated to managing and treating water, the world’s most important resource. Through membership, AWWA creates products, services and information that help utilities with day-to-day operations, inform the public, improve public health, protect the environment, strengthen the economy and enhance our quality of life.
