3. Small Firms

There was no discussion of this topic.

4. E-Filing

Ashley Ames Ahlbrand had correspondence with Judge Mathias who offered some comments that the Tech Committee might consider. She reported that E-Filing was the most important to Judge Mathias.

It was recommended that we coordinate with Catheryne Pully to see what assistance Tech could provide toward introduction and training around the state to the membership. Kevin Mohl committed to speak with her.

5. Document Automation

There was no discussion of this topic.

6. Horizon Topics

Ashley also noted that the Supreme Court has expressed an interest in understanding whether there is a need within the membership to have knowledge about Technology Knowledge and Tech Security. Further, any recommendation by the Tech Committee would be appreciated by the Supreme Court and could even result in same being included in an Ethics CLE requirement.

Ashley informed the group that there are presently twenty (20) states that have such requirements. She committed to prepare and inventory of same for the next meeting.
