

MISSION STATEMENT

FOR THE INDIANA STATE BAR ASSOCIATION LEADERSHIP DEVELOPMENT ACADEMY

The mission of the Indiana State Bar Association Leadership Development Academy is to empower and develop lawyers to be informed, committed and involved so that they may fill significant leadership roles in the local and state bar associations, in Indiana communities and organizations and to serve as role models in matters of ethics and professionalism.

In support of our Mission, the Leadership Development Academy will strive to:

Build a core of practicing lawyers to become leaders and nurture effective leadership with respect to ethics and professionalism, resulting in raising the overall ethical and professional standards and standing of lawyers in the community.

Identify and train lawyers who can be called upon by ISBA, state and local government entities, local bar associations and community organizations for future opportunities for leadership and service.

Raise the level of awareness among lawyers regarding the broad range of issues facing the legal profession and to build effective and mutually beneficial relationships among legal leaders across the State.
