

ISBA Judicial Reception Partnership Opportunities

Event Details

Tuesday, April 9, 5 – 6:30 p.m. ET

Indianapolis Artsgarden

Demonstrate your support of Indiana's judiciary by helping make the ISBA Judicial Reception possible.

This unique event brings together Indiana's legal community each year in a celebration of the work and impact of Indiana's judiciary. As special guests, Indiana state and federal judges are invited to attend for free, where they can get to know legal professionals in a relaxed atmosphere. Last year, more than 130 judges attended the celebration.

Become an event partner to signal that your organization is at the forefront of supporting our state and federal benches.

The reception is strategically planned in coordination with the Indiana Spring Judicial College to make it convenient for Indiana judicial officers to stop by after their learning sessions. Federal judges also are invited to attend for free, and all ISBA members are encouraged to purchase tickets.
