

Attention Health Insurance Agents and Brokers!

Top Three Reasons to Contact Your Local Indiana Navigators

1 Referral Network

Indiana Navigators are certified by the Indiana Department of Insurance to assist your clients with the Indiana Application for Health Coverage, special enrollments and appeals. We can work together to make sure our community is covered and avoiding the penalty for lack of health insurance on federal tax returns.

2 Partnership Opportunities

Throughout the year, we host events in the community to educate, engage, and enroll the public. We would love to partner with you to increase awareness and help maximize the number of insured Hoosiers.

3 Peer-to-Peer Education

In addition to working with each other, we can also learn together. We constantly seek information about your health plans and SHOP, and we'd love to share information about the Affordable Care Act and options for low-income consumers.

Please contact [Insert name] at [Insert health center] for more details on how we can collaborate together.
