

Calling all Tax Specialists!

Top Three Reasons to Contact Your Local Indiana Navigators

1 Referral Network

Indiana Navigators are certified by the Indiana Department of Insurance to assist your clients with health coverage applications, special enrollments and appeals. We can work together to make sure our community is covered, filing taxes when necessary, and avoiding the penalty for lack of health insurance on federal tax returns.

2 Partnership Opportunities

Throughout the year, we host events in the community to educate, engage, and enroll the public. We would love to partner with you to help spread awareness about the importance of maintaining health coverage and tax filing.

3 Peer-to-Peer Education

In addition to working with each other, we can also learn together. We constantly seek information and guidance about tax rules, and we'd love to share information about the Affordable Care Act with you!
