PROGRAM DESCRIPTIONS

Morning Session Program Description

Pain continues to be a significant public-health problem in the US, causing significant reductions in patients' quality of life. Despite the pain-relieving properties of opioid medications, patients with acute and chronic pain are often undertreated due to a variety of physician and patient-related concerns and barriers, including the potential for misuse and abuse.

The FDA developed the Risk Evaluation and Mitigation Strategy (REMS) to ensure the benefits outweigh the risks with opioid treatments. The FDA Blueprint was recently updated to include more information on pain management, including components of an effective treatment plan, nonpharmacologic and pharmacologic treatments for pain (nonopioid and opioid analgesics), and a primer on addiction medicine. The updated blueprint applies not only to prescribers, but to all healthcare providers involved in the management of patients with acute and chronic pain.

Afternoon Session Program Description

The opioid crisis has had a profound effect on medical practice. Legislators have begun to mandate how opioids and/or other controlled medications are prescribed. The speaker will examine the scope of the opioid crisis, including its effect on communities, families and psychiatric practice. Identification and management of patients at risk for inappropriate use of opioid and controlled substances will be reviewed. The challenge of addressing colleagues who prescribe controlled meds to high risk patients will be addressed along with ways to contain control medication prescribing in psychiatric practice. Malpractice litigation involving patients who are prescribed opioids will be reviewed along with prescription drug monitoring programs. The collaborative efforts of pharmacy and medical boards to promote safe prescribing practices will also be examined.

As always, our meeting offers an opportunity for peer to peer learning and networking as well as question and answer sessions allotted for each speaker thus providing ample time to share best practices and find solutions to your clinical challenges.

AGENDA

7:30 – 8:00 AM

Event Registration and Breakfast Served

8:00 – 9:30 AM

Opioid Analgesics: Risk Evaluation and Mitigation Strategy (REMS)

Charles Argoff, MD and Timothy J. Atkinson, PharmD, BCPS, CPE

9:30 – 9:45 AM

Coffee Break with Exhibitors

9:45 – 11:15 AM

Opioid Analgesics: Risk Evaluation and Mitigation Strategy (REMS)

Charles Argoff, MD and Timothy J. Atkinson, PharmD, BCPS, CPE

Forensic Aspects of the Opioid Crisis

Cheryl D. Wills, M.D., Director, Child and Adolescent Forensic Psychiatry Services, University Hospitals, Cleveland/Akron, Ohio

1:30 PM

Adjourn

LOCATION

The Ritz Charles Carmel (12156 N. Meridian St., Carmel) serves as the site for the 2018 fall event. The Ritz offers easy access from I-465, complimentary and accessible parking, as well as traditional Hoosier hospitality. For those persons requiring overnight accommodations, we recommend staying at the Renaissance Indianapolis North Hotel (11925 N. Meridian St., Carmel) immediately across the street from the Ritz.

EDUCATIONAL OBJECTIVES

The participant will:

- Identify risk factors and vulnerabilities associated with addiction to opioid analgesics and provide patient/caregiver counselling when necessary
- Discuss the components of an effective treatment plan, including patient interactions, treatment goals, and collaboration within the healthcare team
- Analyze the specific benefits and risks to initiating non-medication therapies before utilizing long-term medications
- Recognize patients who are candidates for treatment with nonopioid pharmacologic analgesics
- Explain the decision to initiate long-term opioid analgesics, including ER/LA opioids, with consideration to providing in-home naloxone
- Determine when referral to a pain specialist is appropriate for a patient with chronic pain
- Appreciate forensic implications of prescribing opioids (and other controlled medications) to patients.
- Understand when and how to address concerns about opioids prescribed by other prescribers with patients and prescribers.
- Become familiar with trends in litigation involving opioid (and other controlled medication) prescribing litigation

ACCREDITATION INFORMATION

Morning Session Program Accreditation Information

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of USF Health and Rockpointe. USF Health is accredited by the ACCME to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Designation Statement: Successful completion of this 3.0 CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for this activity (no more than 3.0). It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

To receive CME credit and/or MOC points, you MUST complete the onsite evaluation and pass the online post-test at www.rockpointe.com/remsmoc. For ABIM MOC points, your information will be shared with the ABIM through USF Health's ACCME Program and Activity Reporting System (PARS). Please allow 6-8 weeks for your MOC points to appear on your ABIM records.

MACRA Credit Designation: Completion of this accredited CME activity meets the expectations of an Accredited Safety of Quality Improvement Program (IA_PSPA_28) for the Merit-based Incentive Payment Program (MIPS).

AAFP Designation Statement: *This live activity, Opioid Analgesics: Risk Evaluation and Mitigation Strategy (REMS), from 04/28/2019-04/28/2020, has been reviewed and is acceptable for up to 3.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (This applies to morning programming only.)*

Afternoon Session Program Accreditation Information

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Psychiatric Association (APA) and Indiana Psychiatric Society. The APA is accredited by the ACCME to provide continuing medical education for physicians. The APA designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement: It is the policy of the APA to comply with the ACCME Standards for commercial support of CME. Planning committee members and related staff disclosures must be on file annually with disclosures made available on program materials. Faculty participating in sponsored or jointly sponsored programs by APA are required to disclose to the program audience any real or apparent financial relationships with commercial interests related to the content of their presentation. Faculty are also responsible for disclosing any discussion of off-label or investigational use of a product.
