2026 INFORMATIONAL PACKET

Insurance Society
of Philadelphia
CONNECTING. EDUCATING. SERVING.

Dear Colleague,

The Insurance Society of Philadelphia (ISOP) is proud to serve as a cornerstone of the Philadelphia insurance community, bringing together professionals who value connection, collaboration, and the continued strength of our industry. As President, I am pleased to introduce you to an organization dedicated to supporting both today's leaders and tomorrow's talent.

ISOP provides members with a forum to engage in meaningful **professional development, career growth, and networking opportunities** across all segments of our city's insurance marketplace. Our programs and events are designed to foster relationships, encourage learning, and create lasting value for individuals and member organizations alike.

Equally central to **our mission is giving back**. Through our scholarship and grant programs, ISOP invests directly in undergraduate students and emerging professionals, helping to build a strong and diverse talent pipeline for the Philadelphia region. Member support makes a measurable difference in shaping the future of our industry.

Enclosed, you will find additional information outlining the benefits of ISOP membership and a calendar of upcoming events. I encourage you to review these materials and consider how ISOP can support your organization and professional development while connecting you to a vibrant and engaged community.

We would be delighted to welcome you to the Insurance Society of Philadelphia. Please don't hesitate to contact our Executive Director Joe Maher – jmaher@insurancesociety.org – with questions or for additional information on joining our community.

Sincerely,

Tom Trullinger

Board Chair

Insurance Society of Philadelphia
