IAIP TOTE-A-TOWEL

Tote a Towel to the 74th Annual International IAIP Convention: June 4-6, 2015

What would you do without a towel? There are thousands of families and individuals who face this difficult situation every day. Help today and support the IAIP Tote-a-Towel initiative.

Through the effective reuse of donated items, Bridging improves lives by providing quality furniture and household goods to those transitioning out of homelessness and poverty in the Minneapolis area. Every year, Bridging serves about 4,000 local households (nearly 12,000 individuals).

OUR GOAL:
Bridging would like to provide a towel set to every person they serve. That means they need over 300 sets each week!

How many weeks will the IAIP Tote-a-Towel collection provide? One week? Two? We can do better than that! Our goal is to provide THREE weeks worth! That’s 900 towels! Using last year’s attendance, that would mean we need an average of about three towels per attendee.

WHAT CAN YOU DONATE TO BRIDGING?
- Bath towels: hand, wash and bath/beach sizes
- Kitchen towels: dish towel/cloth

New and gently used items accepted. Donate from your existing supply or purchase new at a retailer of your choice.
