

## MAP: Maggie O'Toole Mentors & Proteges Application

This award was established in 2000 by Regional Vice President Thelma Cunningham. This was named in honor of long time Region V member Maggie O'Toole for her many years of dedication to NAIW (IAIP). The funding is from donations from Region V local associations and individual members.

The award is designed for members needing assistance with the cost of attending a Regional Conference. The only restriction is they have NOT attended a prior Regional Conference. Each local association can submit the name of ONE member who they feel would greatly benefit attending. The hope is once they attend a conference, they will keep coming back. This will pay their registration fee.

\*\* A Member At Large may also submit their name if never attended a Regional.

Please complete the information below and return to Betty Smith by Feb. 1, 2019. The committee will review all applicants and select the winner(s). The winner(s) will be contacted so they can attend the 2019 Regional Conference in Wichita, Kansas in April.
