

THE BOARDWALK SERIES

The Concept

The Board Walk is an initiative that has been created by the 30%Club Southern Africa to nurture the development of aspiring directors who are currently in senior management positions helping them to unlock their future potential. It aims to expose these individuals to existing directors and partners during an interactive networking breakfast to encourage meaningful engagement and dialogue.

The Format

Business and other leaders will be invited to host a table of between eight and ten people. The responsibility of the host will be to impart knowledge, experience and words of wisdom to the table, while directing the conversation.

The topics can be either specific or general as the host and the table pleases. Attendees will rotate tables twice during the breakfast, while the hosts remain at their tables.

CD(SA)s can register as mentors for these sessions. 2 CPD hours are accrued for each session attended.

Role of the hosts

This includes:

- Leading the introduction of the topic. Keep it business like, but formal.
- Selecting a particular topic or allowing for general conversation and using the questions to facilitate discussion
- Allowing all to contribute. Encouraging the quiet ones to participate.
- Using your experience and sharing it.
- Providing your profile – this is circulated to the attendees beforehand, so they will be joining your table based on your field of expertise.

Dates for 2019

Sessions are offered in Johannesburg, Cape Town and Durban. CD(SA)'s can therefore participate in their region or in another region, should they be travelling at the time.

It is critical that you book the session – this allows Director Certification to allocate CPD hours through YM. It also allows Director Certification to confirm who will be participating as mentors with Business Engage

Please indicate which dates you are able to attend by completing the attached form and sending through your current resume, as well as a high resolution photograph.

Your participation will only be confirmed once we have received your completed form, resume and photograph.

Final arrangements for each session are confirmed directly with you by Colleen Larson closer to the time.
