

Campaign for Action Vision: All Americans have access to high quality, patient-centered care in a healthcare system where nurses contribute as essential partners in achieving success.

Instructions: Information for each person must be typed on a separate form. Participant involvement will primarily be through one of four Workgroups: Education, Collaboration, Practice and Leadership. If you are interested in actively engaging and supporting the IL Healthcare Action Coalition (IL HAC) you are encouraged to submit this participant information document.

IL Healthcare Action Coalition – Participant Information			
Name and Credentials			
Preferred address (include city, state, zip code)

In rank order priority, list two workgroups that you are interested in participating in.	1.	2.	
Comments			

IL Healthcare Action Coalition Aims:

- 1) IL will foster a well educated workforce prepared to meet future healthcare demands
- 2) IL will advance inter-professional collaboration across the health spectrum
- 3) Nurses will practice to the full extent of their education and training
- 4) Nurses will strengthen leadership skills at all levels
- 5) IL will gather and generate data for program performance measures and outcomes to make informed decisions

The Illinois Center for Nursing (ICN) was established in 2006 to advocate and ensure appropriate nursing resources necessary to meet the healthcare needs of the citizens of Illinois. ICN is working with industry professionals and educational institutions to ensure that Illinois has a nursing workforce necessary to meet the demands of a growing and aging population. For more information, visit the ICN website, www.nursing.illinois.gov.

The Illinois Healthcare Action Coalition was convened to advance *The Future of Nursing: Campaign for Action™*, a collaboration created by the Robert Wood Johnson Foundation and the AARP Foundation <http://championnursing.org/>.
