**THE POWER TO EXPAND! NEW REHAB OPPORTUNITIES**

Bring your expertise to a nationally renowned hospital rated by JCAHO as among the top 4% in the nation. At Northwest Community Hospital in Arlington Heights, the tremendous success of our Rehabilitation Services makes this a great time to join our leading 400+ bed facility in Chicago's northwest suburbs.

Due to continued success and strength, we're experiencing impressive growth and expanding to accommodate an increased patient population.

Current opportunities exist in Home Health and Inpatient areas for PTs and PTAs with current licensure (Illinois preferred) and at least one year acute care experience.

Enjoy all the benefits of a sophisticated, high-tech environment in a progressive patient-centered care setting. At Northwest Community Hospital, "The Power To Become" translates into exceptional opportunities and rewards.

To learn more, send resume to: Employment Manager, Northwest Community Hospital, 800 W. Central Rd., Arlington Heights, IL 60005. FAX: 708-506-4395. EOE.
CONTINUING EDUCATION PROGRAM FOR CLINICAL PEDIATRIC SPECIALISTS CANDIDATES

The Department of Physical Therapy at the University of Illinois-Chicago, is once again planning a continuing education program for Physical Therapists who are interested in becoming Board Certified Clinical Specialists in Pediatrics.

The continuing education program, funded through the Maternal & Child Health grant, was initiated last year. For the first time since the Board Certified Specialties exams were initiated, eight pediatric physical therapists from Illinois were enrolled in the program, and all eight passed the exam.

The continuing education program is uniquely designed to meet the needs of each group of candidates, hence it is important for those interested to contact the program coordinator as soon as possible for more detailed information.

Preliminary meetings are held in August, before the deadline for applications for the American Board of Physical Therapy Specialties (ABPTS) examination, to answer questions about the application process, and to identify pediatric areas (didactic and clinical practicals) which need to be covered in the program.

The program is free to those candidates who have been approved by the ABPTS to take the exam. For more information, call Kiran Kanakadandila, at 312/996-0688, or Thubi Kolobe, at 312/996-8381, before August 22, 1994.

Clinic Practice Director of Physical Therapy

Practice Made Perfect

The health care industry is changing rapidly. And NovaCare is ready to succeed and grow in the age of Health Care Reform through the constant pursuit of clinical excellence.

As the nation's leading provider of medical rehabilitation services, we are committed to effectively meeting the rehabilitation needs of our patient through clinical leadership.

As Clinic Practice Director, within Chicagoland and the NW Indiana area, you will be responsible for all aspects of the clinical practice within physical therapy including professional development. You will be the important link between the customer, direct care providers (DCPs) and area management. Working with the DCPs and customers, you will be responsible for patient case-load analysis/co-ordination; business development through interaction with professionals and the community; staff development; and finance.

To qualify, you must possess a Baccalaureate degree in PT and at least 3 years experience in a clinical environment. Knowledge of Medicare, Medicaid and other reimbursement practices are necessary. Management experience in long term care environment preferred.

NovaCare is proud to provide highly competitive salaries and a comprehensive benefits package, 401(K), continuing education, training and more. Qualified individuals are invited to apply by sending resume with salary history to: Shawn Watka, Contract Services Division, 1701 S. 1st Ave. Suite 509, Maywood, IL 60153, 800-841-2299. EOE
