Therapists & Assistants

Look to Oak Forest Hospital for the exceptional qualities that make the real difference in your career. Our 1103 bed acute care medical facility is located on a beautiful campus-like setting, at a southwest suburban location near many recreational attractions, and only 30 minutes south from the excitement of downtown Chicago.

Oak Forest Hospital is a unique health care center devoted to the diagnosis, treatment, rehabilitation and long-term care of adults suffering from chronic illnesses, degenerative diseases and physical impairments. Our Physical Therapy Program Areas include Inpatient Comprehensive Rehabilitation, Orthotic/Prosthetic Clinic, Outpatient Head Trauma, and Inpatient Acute & Chronic Care. You must be a graduate from an approved Program.

We provide excellent compensation and benefits that include 3 weeks vacation after one year, 12 paid holidays annually, and comprehensive health and dental insurance. For more information call Vera Thompson, Personnel Analyst at 708-633-3660.

**CAREER OPPORTUNITIES**

**Condell Medical Center** is a progressive northern Illinois hospital well established in Lake County for its commitment to quality patient satisfaction. The Physical Therapy Department is comprised of sixteen Physical Therapists and two Physical Therapy Assistants. Our continued growth and administrative support over the past several years has allowed us to create three free-standing outpatient clinics in addition to the hospital department. We currently have the following opportunities for motivated Physical Therapists interested in enhancing their careers.

**CLINICAL SKILLS COORDINATOR**
This is a unique opportunity for a motivated, experienced Physical Therapist to provide both patient care and educational training in your area of specialized skills. This rewarding position includes providing on-site inservices to our clinics and hospital, implementing quality assurance monitors related to your area of specialized skill, and acting as a specific source for the department and physicians. A minimum of three years of clinical experience in your area of specialized skill and related continuing education are required.

**STAFF PHYSICAL THERAPIST**
Join a dynamic, professional team providing excellent patient care. We are currently seeking a full-time Physical Therapist to join either our hospital or outpatient clinics. Focus on evaluation and treatment of a wide variety of diagnoses including neurologic, orthopedic, sports-related injuries, TMJ and pediatrics. Average caseload is twelve patients per day. Our department is currently sending all its interested Physical Therapists to the Atlanta Institute of Graduate Health manual therapy seminar series. Excellent team skills and high motivation are required.

All positions provide excellent salary (negotiable) and benefit packages. For more information contact Mr. Gail Crutcher, Director of Physical Therapy at (708) 362-2905 Ext: 5350 or the Human Resources Department at (708) 362-2905 Ext: 5230.

Enjoy Your Work. Join The Comprehensive Therapeutics Team.
Benefit from your skills in client evaluation and program implementation. Utilize your clinical and administrative expertise. Select from our growing list of pediatric, home health, extended care, hospital, out-patient ortho and neuro, and mental health facilities.

- Full or part-time
- Flexible hours and days
- Excellent salary and benefits
- Relocation assistance
- Free continuing education

GREAT REASONS

As a student member of the American Physical Therapy Association, you knew all the great reasons there were for joining APTA. Now that you’re graduating and launching your career, there are even greater reasons to stay with APTA:

1 • Save money.
As a student member of APTA, you’re entitled to 50% off your national dues — a one-time-only savings — if you convert to full membership within 90 days of graduation.

2 • Get a jump on your career.
APTA membership helps you make valuable contacts and build a professional network.

3 • Make job contacts.
APTA helps you find employment opportunities through national job listings in APTA publications and opportunities to meet potential employers at APTA events.

4 • Stay current in the field.
You can count on APTA’s four information-packed publications — Physical Therapy, Clinical Management, Progress Report, and PT Bulletin — to keep you abreast of important advances in physical therapy.

5 • Focus your interests.
If you’ve found a special area of interest, APTA’s Sections can give you the chance to meet with others sharing those interests, as well as giving you an edge if you’re considering certification in any of the seven specialty areas recognized by the American Board of Physical Therapy Specialties.

6 • Sharpen professional skills.
Once you’re out of school, it will be harder to keep up with the latest advances in physical therapy. APTA is there to help with informational publications, workshops, and seminars.

7 • Make new friends.
APTA activities involve you with your peers locally and nationally; people who share your interests and concerns.

8 • Get the answers — now.
When you need professional information right away, you can get it — free of charge — from APTA’s Information Central, just by dialing 1-800-999-APTA, ext. 3210.

9 • Build leadership skills.
Active involvement in your local APTA district or chapter or in a specialty section can provide excellent opportunities to advance your professional reputation and your career goals.

10 • Save money.
It’s not a mistake; we put this in twice because we wanted you to notice this great benefit. Save on membership and all the services APTA offers! You’ll enjoy discounts on publications and educational programs, and group savings on loans, mortgages, insurance, and other financial services only if you’re an APTA member.

STAY IN APTA

Dial 1-800-999-APTA, ext. 3124 now
to charge your membership on MasterCard or VISA,
or send in your renewal form today!
UNIVERSITY FACULTY POSITIONS

Two tenure track faculty positions are available in the Department of Physical Therapy, Bradley University. The person must be licensed as a physical therapist in Illinois or eligible for licensure in Illinois. Opportunity to assist in the development of a new program. Master's degree is required, doctorate degree preferred and minimum of two years of clinical experience. Areas of teaching responsibilities from which assignments will be made include: physical therapy theory and procedures, evaluation and treatment procedures, management, professional issues, teaching and research. Each position includes teaching, student advising, advising student projects, research and committee activities related to department, campus, community and profession. Each is a nine month appointment with possible summer contract. Benefits and salary are commensurate with qualifications and experience. Financial and time-release support are available for pursuit of a doctoral degree.

Apply by sending a current curriculum vitae and names and addresses of three persons who may be contacted for a reference. Search will remain open until positions are filled.

PHYSICAL THERAPIST
CENTER FOR HANDICAPPED CHILDREN
UNIVERSITY OF ILLINOIS AT CHICAGO

The Center for Handicapped Children is seeking a physical therapist to join its multispecialty staff. The Center for Handicapped Children, a program of University of Illinois at Chicago, Division of Specialized Care for Children, is a specialty clinic which provides evaluation and follow up rehabilitation care to children with a wide variety of developmental disabilities. The physical therapist is responsible for evaluation of functional and motor abilities of our children. The role entails participation with other team members as well as interaction with other multispecialty clinics. The therapist participates in family and patient teaching and would provide a limited amount of direct therapy.

Minimum Qualifications: Eligible for licensure with the State of Illinois as a Physical Therapist at time of employment, and must also pass the examination for licensure within the first six months of employment. One year of experience as a Physical Therapist.

If you possess these qualifications and are interested in the position, please contact Mary Lou Gorski at (312) 996-7202 for an application and further information.
