CAREER OPPORTUNITIES

PHYSICAL THERAPY ASSISTANTS

Gottlieb Memorial Hospital is a progressive 300-bed hospital located just West of Chicago. Our campus includes a Health and Fitness Center as well as on-site Day Care for infants 6 weeks old through preschoolers up to age 6.

At Gottlieb you will have the opportunity to work in many areas of Physical Therapy including acute orthopedics, neurorehabilitation, cardiac rehab, sports medicine, work hardening and a large volume of orthopedic outpatients.

As part of our progressive Physical Therapy Department you'll enjoy these advantages:

- A modern department
- Variety of experiences
- Tax sheltered annuity plans
- Competitive salaries
- Continuing education
- Tuition loan forgiveness programs for seniors
- Discounted membership at Health and Fitness Center

Please send resume to or call:

An equal opportunity employer m/f

OPEN HOUSE

Please be our guest...

...at the first viewing of the new Department of Rehabilitation Services of Northwestern Memorial Hospital. Join us for hors d'oeuvres and beverages at our Open House to be held on January 28th from 4:00pm to 7:00pm. You may tour the unit, meet our staff and share in the excitement of our new Rehabilitation Services Department.

The event will be held at: Northwestern Memorial Hospital, Passavant, 303 E. Superior, Suite 375, Chicago, IL 60611. Created with the Northwestern Memorial philosophy of "Patients First" in mind, this merger of Physical and Occupational Therapy will offer the latest in technology and treatment.

For more information on this event and career opportunities at Northwestern Memorial Hospital, contact: Carolyn Weiner, (312) 908-3188, Northwestern Memorial Hospital, 310 East Huron Street, Chicago, IL 60611. An EEO/AA Employer.

Northwestern Memorial Hospital
All positions provide excellent salary (negotiable). Skills and lift movement are required. We welcome new graduates as well as physical therapists. A minimum of three years of physical therapy experience is required. The department is currently seeking an Assistant Professor/Program Coordinator. This is a unique opportunity for a motivated, experienced, and creative individual. We are an equal opportunity employer.

Co-ordinator:

Physical Therapy program is part of the College of Health Sciences and humanities. The program's mission is to provide a high-quality education in physical therapy that prepares students for entry into the profession. The program offers a Bachelor of Science degree in Physical Therapy. The department is committed to excellence in education and research, and is dedicated to promoting health and wellness through the provision of quality physical therapy services. The department is located in a beautiful, well-maintained campus setting.

The College of Health Sciences and humanities offers a comprehensive curriculum that includes courses in anatomy, physiology, pathology, and rehabilitation. Students receive hands-on clinical experience in a variety of settings, including hospitals, clinics, and private practice. The program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE).

Financial aid is available to students who demonstrate financial need. The program also offers a variety of scholarships and grants to support students in their academic and professional development.

Physical Therapy Program

Scholarship and Grant Information

The College of Health Sciences and humanities offers a variety of scholarships and grants to support students in their academic and professional development. These include the Physical Therapy Scholarship and the Outstanding Physical Therapy Student Grant. These scholarships are available to students who demonstrate academic excellence and professional promise.

To apply for these scholarships, students must submit a completed application form and a letter of recommendation from a faculty member or employer. The application process typically begins in the fall of each academic year. For more information, students should contact the College of Health Sciences and humanities or visit their website.
