Career Profile

GENERAL
Oak Forest Hospital is a unique health care center devoted to the diagnosis, treatment, rehabilitation and long-term care of adults suffering from chronic illnesses, degenerative diseases and physical impairments. The 1103 bed facility provides patients with a total spectrum of medical and ancillary services to increase their independence and return them to the community. As the only licensed and accredited chronic disease hospital in Illinois, Oak Forest Hospital successfully addresses the long-term care and short-term physical rehabilitation needs of the community.

ACCREDITATION
Oak Forest Hospital maintains accreditation by the Joint Commission on of Healthcare Organizations under their hospital and long-term care programs. Our comprehensive Rehabilitation Unit is accredited by the Commission on Accreditation of Rehabilitation Facilities.

LEVELS OF CARE
There are four levels of inpatient care available through Oak Forest Hospital: Acute, Rehabilitation, Chronic Disease and Intermediate Care. The health care center's outpatient clinic provides services in an extensive variety of specialties including physical rehabilitation, ophthalmology and podiatry. Oak Forest Hospital also manages three outpatient clinics in southern suburban Cook County.

AFFILIATIONS
Oak Forest Hospital has joined forces with major health care institutions such as the University of Chicago, Rush University and Cook County Hospital. These affiliations enable Oak Forest Hospital to offer patients additional medical services. Because of our expertise in physical rehabilitation and geriatric medicine, Oak Forest Hospital serves as a clinical site for medical students and other clinicians from universities throughout the United States.

WORKING ENVIRONMENT
Staff rotations provide the opportunity to enhance professional clinical skills. Our campus-like setting is located near many recreational attractions, and only 30 minutes southwest of downtown Chicago.

BENEFITS
Competitive compensation and an excellent benefit program including 3 weeks paid vacation after one year, 12 paid holidays annually, and comprehensive health and dental plans. Housing is available in the Employee Residence at a minimal cost.

(equal opportunity employer m/f)

TWO GREAT SCHEDULES.
TWO TERRIFIC LOCATIONS.
ONE TOUCH CHOICE.

Today, part-time Physical Therapists have two times the opportunity to develop their skills. They're discovering flexible scheduling, terrific salaries, and greater room for advancement at The Physical Performance Place—two innovative, off-campus facilities owned and operated by Good Samaritan Hospital. Currently, the following shifts are available at our two locations:

* Naperville — Part-Time/Evenings
* Oak Brook Terrace — Part-Time/Day (32 hr/week)
* Part-Time/Evenings

These progressive facilities service orthopaedic, sports-related, and work-related injuries on an outpatient basis. Here, you'll evaluate and treat patients in a full range of modalities with the most advanced equipment available; including Cybex isokinetic and circuit training equipment, Stairmaster, and Star Trac 1500 treadmills. You'll also have the opportunity to participate in health promotion activities within the community in conjunction with physicians and other departments.

Candidates should be graduates of an APTA-accredited program with current orthopaedic experience and IL licensure or eligibility.

With Good Samaritan, your professional ideas, contributions, and career growth are top priorities. Find out more about our competitive salaries and complete benefits, as well as the support of Evangelical Health Systems. Call or send your resume to: Human Resources, 708/971-5891. EOE m/f.
