Confused by opportunities?

Please take a minute and review the following questions.

1. Will management consult with you prior to hiring someone in your territory?

2. Is the organization therapist-owned? If not, what forum will the organization provide for addressing therapist needs?

3. What is the physical therapy department's staff turnover rate?

4. How are you assured of a consistent and stable patient caseload?

5. How is your territory formulated? Is it subject to change? Under what circumstances?

6. Have their policies or staff been responsible for any of their referral sources to receive any deficiencies in their state or federal surveys? If so, how many and what categories?

7. Does the company do more than home care? If so, where is home care on their priority list?

If you find these questions helpful, please call Bob (708) 766-1314 and ask for our no obligation list of 25 questions to further help you make a decision that is right for you. You may be disappointed if you don’t.
