Practice P.T. - not commuting!

Rockford Physical Therapy needs a creative, independent Physical Therapist - one who'd rather work, or play, than commute.

As an established private practice, we offer a variety of programs to our clients, and the opportunity to develop new areas which interest you. We specialize in Industrial Medicine and Work Hardening, with therapist-initiated programs in TMJ Dysfunction and Hand Rehabilitation as well.

A terrific place to practice - and in an ideal location. Rockford, Illinois, is the second largest city in Illinois, big enough to offer good schools, museums, theatre - and uncrowded enough to drive across town in 20 minutes. Housing is an outstanding value, making our excellent salary and profit sharing bonus plan go even further.

See for yourself - Call Bill Ayres, PT, CEO, at (815) 397-6357, or write us at 6778 Mill Road, Rockford, Illinois 61108.

Condell Medical Center

Condell Medical Center is a progressive northern Illinois hospital well established in Lake County for its commitment to quality patient satisfaction.

The Physical Therapy department is comprised of fifteen Physical Therapists and four Physical Therapy Assistants. Our continued growth and administrative support over the past several years has allowed us to create three free-standing outpatient clinics in addition to the hospital department. We currently have the following opportunities for motivated Physical Therapists interested in enhancing their careers.

CLINICAL SKILLS COORDINATOR

This is a unique opportunity for a motivated, experienced Physical Therapist to provide both patient care and educational training in your area of specialized skills. This rewarding position includes providing on-site inservices to our clinics and hospital, implementing quality assurance monitors related to your area of specialized skill, and acting as a specific source for the department and physicians. A minimum of three years of clinical experience in your area of specialized skill and related continuing education are required.

STAFF PHYSICAL THERAPIST

Join a dynamic, professional team providing excellent patient care. We are currently seeking a full or part-time staff Physical Therapist to rotate through both our hospital and outpatient clinics. Focus on evaluation and treatment of a wide variety of diagnoses including neurologic, orthopedic, sports-related injuries, TMJ and soon expanding to pediatrics. Average caseload is twelve patients per day. Our department is currently sending all its interested Physical Therapists to the Atlanta Institute of Graduate Health manual therapy seminar series. We welcome new graduates as well as physical therapists re-entering the work force. Excellent team skills and high motivation are required.

All positions provide excellent salary (negotiable) and benefit packages. For more information contact Mr. Gail Crutcher, Director of Physical Therapy at (708) 362-2905 Ext. 5350 or the Human Resources Department at (708) 362-2905 Ext. 5230.
CHICAGO, ILLINOIS

PHYSICAL THERAPIST

Saint Joseph Hospital has immediate openings with our expanding Physical Therapy staff of 16 skilled therapists. We offer a spectrum of patient care experiences: acute care, in-house rehabilitation and skilled nursing units, work hardening, neonatal clinic and rotation to our outpatient clinic. We are proud of our excellent team approach and our modern department overlooks Lake Michigan and Lincoln Park.

Our excellent benefits program includes:
- Clinical Ladder Program
- Sign-On Bonus
- Competitive salaries
- APTA dues
- Generous continuing education benefits
- Annual retention bonus program
