AIR FORCE—THE BEST CAREER THERAPY FOR PHYSICAL THERAPISTS.

You've worked patiently and slowly to develop your skills. As an Air Force officer and physical therapist, your career can take off fast. Indeed, Air Force physical therapists move into positions of supervision and management much sooner than civilian counterparts.

The Air Force also offers a medical environment in which the needs of the patient—not the costs of treatment—come first. An environment in which you work with the best people and technologies. Where you're part of a team that shares high standards of patient care.

In the Air Force, you can also find continuing education assistance that lets you develop your skills even more.

Meanwhile, you'll enjoy excellent compensation and benefits, including low-cost life insurance, full medical/dental care, retirement programs and 30 days vacation with pay each year. Plus the status and respect of being an Air Force officer.

Discover the kind of career therapy only the Air Force can offer.

OUTPATIENT PHYSICAL THERAPISTS

C.P.T.S. has been providing quality orthopedic outpatient care since 1982. With four clinical locations in the city and suburbs, C.P.T.S. has become one of the largest outpatient orthopedic physical therapy practices in the Chicago area. Our professional staff share an aggressive and progressive approach to outpatient care. C.P.T.S. encourages professional growth by involving our staff in the development of special programs including Sports Medicine, Industrial Medicine, Chronic Pain Program, Arthritis and Osteoporosis Programs, and our own unique patient education programs.

C.P.T.S. is looking now to fill a staff position that will require the gradual addition of supervisory/administrative responsibilities. Some of the benefits enjoyed by C.P.T.S. employees:

- Excellent salary
- Medical/Dental plan
- Generous continuing education allowance
- APTA dues
- Christmas bonus
- Generous vacation
- Pension plan

But the greatest benefit is working for an organization that cares about your future as a health professional. Call us now for details!!!

WHY JUST IMPLEMENT DECISIONS WHEN YOU CAN MAKE THEM?

At West Suburban, our physical and occupational therapists work in a participative environment - where decisions are made with physicians - not just carried out for them.

Physical Therapist
We have an excellent opportunity for licensed physical therapists to rotate through inpatient and outpatient departments. The selected individuals will assume a varying caseload with emphasis on orthopedics, wound care, rheumatology, neurology and industrial medicine. We are also offering a $2,000 sign-on bonus.

Occupational Therapist
Selected candidates will handle a varied caseload of inpatients/outpatients working closely with PT, nursing, and physicians. To qualify you will need experience in treating physical disabilities including orthopedic and stroke.

West Suburban is a community-based, 375-bed teaching facility, located 15 minutes from downtown Chicago. We offer a competitive compensation and benefits package. Please send your resume to: Denise Bulkey, Human Resources Manager, West Suburban Hospital Medical Center, 1Erie at Austin, Oak Park, IL 60302, (708) 383-8104. Equal opportunity employer.
