CAREER OPPORTUNITIES

THE OSTEOPATHIC ADVANTAGE

Our threshold philosophy not only provides exceptional, holistic health care to our patients, it also creates advantages for our staff. Advantages you just won't find anywhere else.

You'll do much more than practice Physical Therapy at Chicago Osteopathic Hospital and Medical Center. You'll also encounter new techniques through working with our experienced Physical Therapists and staff.

You'll also be a part of a team that values each other and the community. We offer a competitive salary and benefits package, including health, dental, and vision insurance, a 401(k) plan, and paid sick leave. We also offer ongoing education opportunities and outside speakers. And we pride ourselves on providing a supportive and inclusive work environment.

Variety is the keyword for our caseloads. Physical Therapy involves treating patients with a wide range of conditions and needs. You'll have the opportunity to work with a variety of clients, from children to seniors, and from athletes to those dealing with chronic pain.

Our commitment to providing the best care possible is reflected in our approach to professional development. We offer ongoing education opportunities and encourage our staff to pursue new certifications and advanced training. This allows you to continually improve your skills and stay at the cutting edge of your profession.

You're invited to join our team at Chicago Osteopathic Hospital and Medical Center. A full-time position will be available soon. For more information or to apply, please contact Human Resources.
