PTA LICENSURE UPDATE

Nikki M. Zollar, Director of the Illinois Department of Professional Regulation, has announced the availability of licensure applications for Physical Therapist Assistants -- a new profession being regulated by the Department, effective July 1.

"The General Assembly has mandated a new law adding physical therapist assistants to be among the professions licensed by the Department," Zollar said. "We presently regulate physical therapists, and this expanded role to cover physical therapist assistants helps ensure that only qualified individuals will work in these professions. This new law will be administered with the highest regard toward the public welfare and enforced vigorously."

Any person who is 18 years old and has graduated from a two-year college-level program approved by the Department is eligible for licensure under the "grandfather" provision, which expires December 31, 1991. The "grandfather" provision also applies to individuals who have two years of appropriate experience as a physical therapist assistant and have achieved a satisfactory grade on a proficiency examination approved by the U.S. Public Health Service prior to December 31, 1977.

The application packets available for distribution include instructions for registration on the basis of endorsement of license, acceptance of examinations from other states, examination and grandfathering.

To obtain an application, send written requests to: Illinois Department of Professional Regulation, 320 W. Washington, Springfield, Illinois 62786 Attention: Forms Unit.

Requests for application must include the name of the profession, the type of application being requested and the name and address of where the packet is to be mailed.

The Department of Professional Regulation is responsible for licensing, testing, and enforcement of statutes affecting nearly 600,000 persons holding professional licenses in 38 occupational groups and entities. The basic mandate of the Department is to ensure the protection of the public health, safety, and welfare through the licensing of qualified individuals.
THE FELDENKRAIS APPROACH TO PATIENT CARE

a two-day course

Presented by Thomas Hanley, M.A.

June 22-23, 1991

Seminar fee: $150.00

LEGISLATIVE UPDATES
by Tim Hennessey & Molly Tesh

House Bill 1040 was moved to third reading in the House last week. The bill creates the Physical Therapist Lien Act. The legislation must be passed out of the House by May 24th.

House Bill 954 (Daniels-Steczo) remains on second reading. The bill creates the Early Intervention Services System Act to require the Governor to designate an agency to lead in the establishment of an interagency system to provide services to children under age 3 with certain developmental problems.

Senate Bill 206 (Jones-Davidson) is posted for hearing before the Senate Insurance Committee on May 7. The bill, identical to Representative Giorgi's House Bill 206, requires HMO's to have sufficient medical, including chiropractic and dental providers, to meet the demands of its enrollees.

The House will be in session May 7-10; the Senate will be in on May 7-10 also. May 10th is the deadline for bills to be out of Senate Committees.
IPTA LEGISLATION COMMITTEE ANNOUNCES:

LOBBY DAY 1991

TUESDAY, JUNE 4

SPRINGFIELD

The Legislation Committee of the IPTA has scheduled events for the 1991 lobby day. They are:

9:00 a.m. to 5:00 p.m. - Constituent meetings with legislators
10:00 a.m. to 3:00 p.m. - Distribution of cuff weights to legislators and staff
6:00 p.m. to 9:00 p.m. - "Evening on the Lake" fundraiser

25 physical therapists are needed for the distribution of cuff weights. Those willing to participate should contact Jim Milder at 312-865-1711.

Physical therapists who are able to contribute to the "Evening on the Lake" fundraiser should contact Bob Ingrisano at 708-562-0999

ATTENTION!

The Legislation Committee of the IPTA has been charged to "... prepare a report regarding the introduction of legislation in Illinois which would eliminate situations in which physical therapists or physical therapist assistants work for a referring physician, dentist or podiatrists or work for a corporation which is owned in part or in whole by the referring physician, dentists or podiatrists or have a contractual agreement with either of the above..."

The Legislation Committee welcomes your comments on this issue.

The report is due at the Fall 1991 IPTA Chapter Meeting. Work on the report has begun, membership input is needed as soon as possible. Please direct your comments to:
