At Baxter, CARING is a part of LEADERSHIP.

At the Physical Therapy Division of Baxter Healthcare Corporation, our leadership is a result of people caring for others. You can see our leadership through our position as one of the nation’s premier providers of orthopedic, sports and industrial physical therapy.

With the well being of our patients of utmost concern, we seek out the best Physical Therapists and give them the tools and support they need. We also care about the Physical Therapists who share our goals and commitment to quality care. That’s why we make a major investment in their future through a variety of clinical and non-clinical career options, exceptional benefits and the advantages of our community-based clinic environment. Our network of 50 facilities also allows location changes with no loss of seniority or benefits.

Current Staff Physical Therapist opportunities available:

- South Chicago, IL
  (Archer Ave. facility)
- Hinsdale, IL
- Matteson, IL

Condell Medical Center is a progressive northern Illinois hospital well established in Lake County for its commitment to quality patient satisfaction.

The Physical Therapy Department is comprised of fourteen physical therapists and two physical therapy assistants. Our continued growth and administrative support over the past several years has allowed us the ability to offer an excellent variety of full-time clinical opportunities.

CLINICAL EDUCATION COORDINATOR

Enjoy the benefits of providing student internships directly at Condell Medical Center. Emphasis on independent supervision and extensive inservice opportunities with a varied acute inpatient and outpatient caseload. Previous student supervision required.

CLINICAL SKILLS SPECIALIST

Sports-related injuries and/or general orthopedics. Join a dynamic, professional team at The Medical Center Health Institute. Utilize your patient care and educational training skills in a unique, modern health club environment. A minimum of three years of clinical experience in your area of specialized skill and related continuing education are required.

STAFF PHYSICAL THERAPIST

Focus on evaluation and treatment of a wide variety of diagnoses at The Family Health Center... Round Lake. Average caseload is twelve patients per day in our newly expanded, updated clinic.

All positions provide excellent salary (negotiable) and benefit packages. For more information contact Mr. Gail Crutcher, Director of Physical Therapy at (708) 362-2905 Ext: 5350 or the Human Resources Department at (708) 362-2905 Ext: 5230.

Don't wait! Some sessions are almost full.

PLEASE NOTE:

THE EXECUTIVE COMMITTEE WILL BE RECOMMENDING TO THE BOARD OF DIRECTORS THAT THE FOLLOWING MOTIONS BE PRESENTED AT THE OCTOBER MEETING OF THE ASSEMBLY OF REPRESENTATIVES:

1. that the Illinois Physical Therapy Association adopt the following goal: Ownership of physical therapy services in Illinois by referring physicians, dentists or podiatrists shall be eliminated by the year 1996.

2. that the Board of Directors be charged to introduce legislation, as soon as possible, which would mandate physical therapist or physical therapist assistant disclosure of ownership of physical therapy services.

3. that the Board of Directors be charged to continue to investigate situations involving physician, dentist or podiatrist ownership of physical therapy services and to disseminate the information to the membership. A final report, with recommendations as to whether to introduce legislation, to be presented to the Fall 1993 Assembly of Representatives with interim reports to each Assembly meeting. The final report shall include recommendations for dealing with HMOs, PPOs, rural situations and/or other potentially problematic situations.

AN ADDITIONAL MOTION, COMING FROM INDIVIDUALS, IS BEING PLANNED AS A SUBSTITUTE FOR #3 ABOVE:

that the Board of Directors be charged to introduce legislation to eliminate ownership of physical therapy services in Illinois by referring physicians, dentists or podiatrists as soon as politically feasible with interim reports to each Assembly meeting until accomplished.

PLEASE KEEP THE FOLLOWING INFORMATION IN MIND:

1. The above motions are presented here and in the Assembly handbook so that everyone can be informed of motions as they are currently proposed.

2. Motions 1-3 above are subject to approval, and possible change, by the Board of Directors prior to presentation at the Assembly meeting. The Board will be meeting Thursday, October 24 to discuss the motions and determine the final form. Consequently, the motions to be acted upon at the meeting may be different from the above motions.

3. Because our bylaws do not specify previous notice of main motions, it is possible that, during the deliberations of the Assembly, the nature and intent of these motions can be altered drastically.
Dear Friend of the IPT-PAC,

The Illinois Physical Therapy Political Action Committee (IPT-PAC) generates funds to make donations to state political campaigns, both Republican and Democratic. A healthy PAC is crucial to our future in Springfield regardless of any specific issue. We need to expand our visibility in Springfield so that we can accomplish our legislative goals today and tomorrow.

Please help support your PAC. A silent Auction and Raffle will be held in conjunction with the IPTA Fall 1991 Conference. Contributions for the events are desperately needed. Some suggestions are listed below. Individuals are welcome to pool resources to donate an item. All proceeds from the auction and raffle go directly into PAC funds, none are used for administrative expenses.

Direct donations made payable to IPT-PAC are welcome anytime.

Thank you for your generosity,

IPT-PAC Auction Committee
Eileen (Mickie) Bonk
Rick Rausch
Sue Suria
