Join Governors State University Physical Therapy Student Association in the 7th Annual 5K event...

5K RUN, WALK, ROLL FOR REHAB

Benefitting the Brain Injury Association of Illinois

Come join the Physical Therapy Student Association at Governors State University, as we host our annual "Run, Walk, or Roll For Rehab" to benefit the Brain Injury Association of Illinois!

This 5k event will take place at:
9: 20 AM on Sunday, April 28th
Governors State University
1 University Parkway, University Park, IL 60484

Running through Governors State University's 750 acre campus, you will enjoy the openness of our campus, while winding through the unique landscape of our nationally renowned sculpture park. Best of all, all proceeds from the event benefit the Illinois Brain Injury Association!

All participants will receive a technical running t-shirt with race entry and medals will be provided to age group winners. So come join us for racing, running, rolling, or recreation as we work to benefit this important organization!
