

Transforming Risk Professionals

**Certified Risk Practitioner
(CRM Prac) Board Exam 1**

16 October & 29 November 2019

Certified Risk Management Professional (CRM Prof) Board Exam 2

Obtain the Certified Risk Management Professional Designation by enrolling for the Board Exam 2.

What do risk management professionals gain from completing this IRMSA Certification?

1. Development within your career.
2. Independent recognition of professional status by South African Qualifications Authority (SAQA).
3. Credibility and competitive advantage in the employment market.

What do employers gain by motivating their risk management professionals to take the Certification?

1. Show that risk management is taken seriously in the organisation.
2. Increase the organisation's reputation and credibility with stakeholders.
3. Provide confidence that those who are practicing risk management are qualified and experienced.

Candidates interested in enrolling for the exam need to meet the following criteria:

1. Candidates to hold the Certified Risk Management Practitioner (CRM Prac) designation. If you do not hold the designation please, kindly note you can apply for exemption by [clicking here](#) to apply.
2. Candidates are required to complete the Self Assessment Tool and must meet 100% of the outlined requirements before applying.
