INTERNATIONAL REGISTRATION PLAN, INC.

LAKE RIDGE VA 22192

Dear Mr. Adams,

This letter is to inform you that the state of Idaho will have an additional apportionable fee effective July 1, 2015. The additional fee is prorated monthly. We are aware that this does not provide the required 120-day notification to the member jurisdictions and have no expectation that the additional registration fees will be programmed by July 1, 2015.

The currently posted Idaho registration fee schedule has not changed but will now be identified as Part I. A revised registration fee schedule to include the additional apportionable fee (identified as Part II) is attached, along with an updated fee calculation example.

The additional fee will need to be listed separately as Part II fees on the Idaho transmittal.

If there are any questions regarding the fee changes, please contact Jerri Hunter at 208-334-8626 or jerri.hunter@itd.idaho.gov.

Sincerely,

REYMONDO RODRIGUEZ
Idaho Motor Carrier Services Manager
