TO ALL JURISDICTIONS:

Recently the Colorado State Legislature enacted a new fee **effective August 1, 2011**.

Items that will require jurisdictions to change:

- **Addtl Registration Fee 2** (Additional Registration Fee 2). This fee needs to be tracked separately. The Addtl Registration Fee 2 table is attached.
- **List Price Average** - updated to include 2012 vehicles. We have had no fee changes to the ownership tax fees
- **Reminder:**
 - **Bridge Safety Surcharge** - change the percentages from 75% to 100% **effective July 1, 2011**.

The following fee tables have **no fee changes**. We have only updated the verbiage on the Definitions and Fee explanations. Fee tables are attached.
