RE: 2016 Indiana Registration and Commercial Vehicle Excise Tax Fees

The 2016 Indiana Commercial Vehicle Excise Tax (CVET) Schedules are attached. Within the CVET schedules there are 2 fee schedules included. If you are accessing the files electronically, please be sure to click on the tab at the bottom of the CVET schedule page to retrieve both sheets.

These fees are effective January 1, 2016 for the 2016 registration period.

Note: All fees that have changed in 2016 are in **red**. The rows that are not in red indicate the fees have not changed from the 2015 fee schedule.

Only CVET fees have changed: all registration fees remain the same as last year.

Please distribute this information to the IRP jurisdictions. Thank you.
