Dear IRP, Inc and all IRP Member Jurisdictions:

Effective July 1, 2017, Indiana has increased registration fees only for the 26,001 to 80,000lb fees category.

Note that there is a change in the CVET chart as the prior chart was rounded to the nearest dollar and has been corrected to round to the nearest cent.. Just a reminder that registration fees and CVET commercial registration excise tax should be separated in the clearinghouse.

If you have any questions please contact Trish Smith (317)615-7271.

Sincerely,

Trish Smith, Supervisor IRP
