RE: Additional Fees for Electric, Hybrid, Plug in, and Other Alternative Fuels.

Dear International Registration Plan Members:

Effective January 1, 2019 the State of Utah, according to Utah Code 41-1a-1206 (1)(h), will charge additional fees for electric, hybrid, plug in, and other alternative fuels for vehicles with a registered weight of 12,000 lbs. or less. The fee is in addition to the current \$45 registration fee. To view the fees, refer to the tab labeled "Electric-Hybrid-Plug-in" on the Utah Fee Schedule posted on the IRP website.

This fee change applies to all supplements, renewals, new accounts or any account activity dated January 1, 2019 and later.

If you have any questions regarding these changes, please contact Motor Carrier Services at 801-251-6800.

Sincerely,

*Sharee Webb*
