Candidate for Canadian Board Representative

Terry Wallace

Terry Wallace has 32 years of experience in the Government of Alberta. He is currently the Registrar of Motor Vehicles for the Province of Alberta and is responsible for the ongoing development of the Traffic Safety Act and its associated Regulations.

Terry was previously responsible for Alberta’s Driver Programs including Driver Fitness and Monitoring, Driver Programs and Licensing Standards, Impaired Driving Unit and Alberta IRP Program.

Terry is the Alberta Board Member on the Canadian Council of Motor Transport Administrators (CCMTA). Terry is the past Chair of the Drivers and Vehicles Program Committee (D&V) of the CCMTA. The D&V Program Committee is responsible for the national approach to all matters relating to motor vehicles registration and control, light vehicle standards and inspections, and driver licensing. The Committee is responsible to ensure a consistent approach by the federal and provincial governments to driver and vehicle safety issues.

Previously, Terry was also the Executive Director of Dangerous Goods and Rail Safety. This Branch is responsible for the oversight of dangerous goods shippers, carriers and containment manufacturers as well as Provincial railways throughout the Province. The Branch also provides technical expertise to first responders dealing with incidents involving dangerous goods.

Terry was the Co-Chair of the Federal Provincial Task Force on Dangerous Goods and a member of the Federal Minister’s Advisory Group on Transportation of Dangerous Goods.
