IRP Data Repository RFP

IRP is seeking a qualified, experienced vendor to provide a secure IRP Data Repository for IRP, Inc. and member jurisdictions. Vendors were asked to notify IRP, Inc. of their intent to respond by today, April 15.
IRP Emergency Waivers

Access a list of all IRP emergency waivers received, including a user-friendly summary for law enforcement.

Emergency Waivers

Recognize Others on the IRP Forum

With this crisis, many in the IRP community have put in great efforts to ensure motor carriers can continue to transport key supplies across the US and Canada. If you would like to recognize anyone, within your organization or elsewhere in the IRP community, please do so on the IRP Forum, IRP’s member-only message board.

IRP Forum
Virtual Learning Opportunities

Learning can take place no matter your location. Here are some options:

- **IRP Education Certificate**: A series of six webinars for staff new to IRP, providing gain fundamental IRP knowledge.
- **Fundamentals of IRP / IFTA Auditing Certificate**: These on-demand webinars were created specifically for new auditors.
- **Fraud Detection and Remediation Training**: This training from the American Association of Motor Vehicle Administrators develops skills in the authentication of more than 12 document categories.
  - **Jurisdictions**: This training is complimentary for all employees of AAMVA member jurisdiction agencies. Each agency has a single training contact through which employees can access the courseware; contact Patrice Aasmo, Director of Member Services, Regions I & II, or Julie Knittle, Director of Member Services, Regions III and IV, to find out your jurisdiction’s contact.
  - **Industry**: Online training is available for AAMVA associate members and non-members to purchase.
