IRP Emergency Waivers

Access a list of all IRP emergency waivers received, including a user-friendly summary for law enforcement.

Thanks to all the jurisdiction staff for keeping the IRP community updated on these waivers. Updates can be sent to irpmail@irpinc.org.
Plans for IRP Clearinghouse Netting in April 2020

As we approach the end of March, it is time to begin plans for the April 2020 Clearinghouse netting in a new environment, with unknowns related to COVID-19. Read a letter from Tim Adams, CEO, and Robin Murphy, Director of Clearinghouse and Information Systems, concerning the April 2020 Clearinghouse Netting.

IRP Office Closure Information

IRP is collecting information about office closures; access current operational status on the IRP COVID-19 page. This information is a helpful reference for carriers.

IRP, Inc. has been reaching out to jurisdictions regarding the following questions. Please help by emailing any updates to IRP:

- Is your office currently open for business?
  - If not, is there a phone number or email address where registrants can obtain information within the jurisdiction?
- What services are available to registrants (in person, online)?
- Are registrants with new commercial vehicles currently able to obtain registration to allows operation (including carrying a load)?
