IRP Frequently Asked Questions

Motor carriers and new staff often have many questions about IRP:

- How are fees calculated?
- Why do motor carriers need to keep records?
- Why are motor carriers audited?

Refer to IRP Frequently Asked Questions for answers to these and other questions the next time such questions arise. This page is a great resource for motor carriers and jurisdictions staff alike.
Open Ballots

IRP voting members can now vote on the following open ballots:

- Ballot 430 – Region I (US) Board Representative; voting ends Aug. 24, 2020
- Ballot 431 – Region II (US) Board Representative; voting ends Aug. 24, 2020
- Ballot 433 – Canadian Board Representative; voting ends Aug. 24, 2020
- Ballot 434 – Uploading Data to the Repository; voting ends Nov. 2, 2020
- Ballot 435 – Composition of the IRP Board of Directors; voting ends Nov. 24, 2020
- Ballot 436 – Region IV (US) Board Representative; voting ends Oct. 2, 2020
The previously postponed Commercial Vehicle Safety Alliance (CVSA) International Roadcheck has been rescheduled for Sept. 9 – 11. The International Roadcheck is a 72-hour inspection and enforcement initiative when CVSA-certified inspectors in Canada, Mexico and the U.S. conduct commercial motor vehicle and driver inspections. During this International Roadcheck, special emphasis will be placed on inspecting commercial motor vehicles for compliance with federal regulations and identifying violations.
The IRP Audit Reference and Best Practices Guide is both a training tool for new auditors and audit managers, plus a resource for experienced personnel. The audit requirements outlined in the Plan and Audit Procedures Manual are illustrated using examples and commentary related to both manual and GPS systems. Also included are sections on records reviews, Excel tips, and an appendix with examples of various communications and forms.
Fraud Training Available for Jurisdictions and Industry

The American Association of Motor Vehicle Administrators (AAMVA) offers Fraud Detection and Remediation Training. Its online training modules develop skills in the authentication of more than 12 document categories, as well as training and resources to engineer processes to fight fraud. The training is critical to anyone handling secure documents and/or sensitive transactions.

- Jurisdictions: This training is complimentary for all employees of AAMVA member jurisdiction agencies. Each agency has a single training contact through which employees can access the courseware; contact Patrice Aasmo, Director of Member Services, Regions I & II, or Julie Knittle, Director of Member Services, Regions III and IV, to find out your jurisdiction’s contact.
- Industry: Online training is available for AAMVA associate members and non-members to purchase.
