Attached you will find two fee charts that will go into effect January 1, 2014 for the State of Kansas. The first chart is increased registration fees for vehicles 12,001 – 85,500. The next fee chart is a commercial vehicle fee that will be based on the registered weight of the vehicle and it also ranges from 12,001 – 85,500. We are requesting the registration fee and the commercial vehicle fee be reported separately through the Clearinghouse.

If you have questions, please contact Leo Luttjohann (785) 296-7439.
