Subject: Clarification of Changes in Kansas IRP Registration Fees

In order to clarify which Commercial Vehicle Fees are based on model and which ones apply to all model years, the fee schedule has been modified to show the distinction.

The state of Kansas fee changes to take effect on January 1, 2015. The addition of a light truck fee schedule is included. Please note the Commercial Motor Vehicle fee for 1 to 12,000 registered units is adjusted based on model year.

If there are any questions concerning Kansas fee calculations, please contact Leo Lutjohann at 785-296-7439 or by email at leo.luttjohann@kdor.ks.gov.
