All IRP Jurisdiction Members:

It was brought to our attention that there was a discrepancy in the North Carolina bus chart. In looking into this matter we noticed the chart stopped at 32,000 lbs and should go to 40,000 lbs . Attached you will find the corrected/updated chart with a bus weight of up to 40,000 lbs. This is the ONLY change.

Should you have questions you may contact me at 919 861-3737 or [lisajohnson@ncdot.gov](mailto:lisajohnson@ncdot.gov)

Sincerely

*Lisa Johnson*
