### REASON FOR ACTION:

The undersigned is ordering these extensions because offices of the Department of Motor Vehicles (DMV) closed on March 18, 2020, and subsequently reopened on a limited basis by appointment only. DMV is required to limit the number of customers in order to maintain social distancing during in-person DMV transactions. The recent resurgence of COVID has further limited the number of appointments offered to DMV customers. Extensions are necessary in order to serve all customers who are not able to access a DMV office and are unable to obtain a timely appointment.

### ORDER:

Under the authority of section 14-5c of the Connecticut General Statutes, and in accordance with waivers and extensions authorized by the Federal Motor Carrier Safety Administration, the undersigned orders the extensions stated above with the approval of the Honorable Ned Lamont, Governor of the State of Connecticut.

**Law enforcement personnel will be notified of this order.**

Dated this <sup>24<sup>th</sup></sup> day of November, 2020

State of Connecticut Department of Motor Vehicles
