

MAC Committee

Chair: Mike Ramsey , mramsey@westmont.il.gov
Vice-Chair: Larry Thomas, thomaslarry@stanleygroup.com

MISSION STATEMENT

To be an active voice for the service provider, consultants, and manufacturers. Provide responsible representation in areas such as standards, conference planning, sponsorship, technical session development, political action, and all other areas relevant to the ISAWWA and AWWA.

GOALS:

- Provide responsible representation for and involvement of MAC members in ISAWWA.
- Develop programs/activities for MAC members and encourage their participation and membership in ISAWWA.
- The primary responsibility of the Illinois Section MAC Committee is the Exhibit Hall at WATERCON held every March in Springfield. This includes maintaining a presence on the exhibit floor to ensure that it runs efficiently and without issue between exhibitors. Also to work hard to maintain a flow of attendees through the exhibit hall to give vendors the best return on their dollar and give operators a great exhibit hall experience.

PROFILE OF THE COMMITTEE:

We are a mix of manufacturer representatives, utility members, and operators.

WHY WOULD YOU WANT TO BE INVOLVED IN THIS COMMITTEE?

- WATERCON is essentially the highlight of the year for ISAWWA and like the Rose Bowl, the Granddaddy of them all. Our responsibility for and presence at is always a great deal of fun for the committee. We are always looking for fresh ideas to make the exhibit hall experience a memorable one for all.

FUN FACTS:

- We have the honor of selecting the section John Lechner Award of Excellence winner each year.
- Did I mention that we usually have pizza at our monthly meetings in St Charles?

MEETING SCHEDULE: This committee meets once a month in person & via conference call, on the second Tuesday of the month at 10:30 am.
