MISSION STATEMENT

To be the authoritative resource for the dissemination of information about state-of-the-art technology via e-mails, seminars, and webinars for ISAWWA.

GOALS:
- Provide monthly tech-tips to raise awareness in various water & wastewater technologies.
- Develop technical training curriculum to further member education opportunities.

PROFILE OF THE COMMITTEE:
Technologically focused group of individuals with a shared passion to educate water and wastewater professionals in Illinois on the value and influence of technology in their jobs.

WHY WOULD YOU WANT TO BE INVOLVED IN THIS COMMITTEE?
- Have an interest in cutting-edge technologies.
- Have fun while talking tech.
- Willing to share your ideas and experiences.
- Seeking a better understanding of technology.
- Interest in pursuing professional growth.
- Diverse group of professionals eager to share personal and organizations experiences.

FUN FACTS ABOUT OUR EACH OF OUR COMMITTEE MEMBERS:
- Ran with the bulls in Pamplona Spain in 2016
- Stranded in the Philippines when Mount Pinatubo erupted
- Married on Kalapaki Beach, Kauai, Hawaii
- Met Dan Hampton of the 83 Chicago Bears
- Proudly own a Mega Man Halloween costume
- Travelled 19,870 miles in 2019 (that’s 80% of the distance around the equator)
- Original owner of a cool 92 Firebird

MEETING SCHEDULE: This committee meets once a month via conference call, on the third Wednesday of the month at 9:00 am. There are two in-person meetings per year, one of which takes place at WATERCON.
