**MISSION:** To promote personal and professional growth by cultivating a supportive environment in which to share knowledge, experience, and advice with water professionals in all aspects and levels of water to the benefit of the water industry as a whole.

**GOALS:**
- Ensure the wisdom of experienced water professionals is not lost
- Sculpt the next generation of water industry professionals
- Inspire professional development and personal growth
- Deliver quality learning opportunities through presentations, workshops, and skill-building sessions
- Provide mentor and mentee resources for further learning and development

**PROFILE OF THE COMMITTEE:**
A passionate and varied group of water professionals who have a blast building the water industry workforce of the future via relationship matching and professional development programming.

**WHY WOULD YOU WANT TO BE INVOLVED IN THIS COMMITTEE?**
We are very enthusiastic about what we do and our work is very gratifying! We face myriad water issues over the coming years and ensuring there is an educated, innovative, hard-working, and sustainable water industry workforce guarantees a successful future for water!

**TIME COMMITMENT:** One 60-minute conference call monthly. Additional hours as you volunteer for various committee projects.

**COMMITTEE WEBPAGE:** www.isawwa.org/mentoring
FUN FACTS:
Compared to employees that do not have a mentor, employees that do have a mentor are:
- Promoted more often,
- More likely to get a raise,
- More likely to achieve their goals.
