

Mentoring Committee

Chair: Brianna Huber | bhuber@eastmoline.com
Vice Chair: Hanting Wang | hwang@greeley-hansen.com

MISSION: To promote personal and professional growth by cultivating a supportive environment in which to share knowledge, experience and advice with water professionals in all aspects and levels of water to the benefit of the water industry as a whole.

GOALS:

- Ensure the wisdom of experienced water professionals is not lost
- Sculpt the next generation of water industry professionals
- Inspire professional development and personal growth
- Deliver quality learning opportunities through presentations, workshops and skill-building sessions
- Provide mentor and mentee resources for further learning and development

PROFILE OF THE COMMITTEE:

A passionate and varied group of water professionals who have a blast building the water industry workforce of the future via program development, relationship matching and professional development programming.

WHY WOULD YOU WANT TO BE INVOLVED IN THIS COMMITTEE?

We are very enthusiastic about what we do and our work is very gratifying! We face myriad water issues over the coming years and ensuring there is an educated, innovative, hard-working and sustainable water industry workforce guarantees a successful future for water!

TIME COMMITMENT: One 60-minute conference call monthly on the third Thursday of each month at 11:00 am. Additional hours as you volunteer for various committee projects.
