*Do not use password reset on webpage*
Click Assigned Training
Click Renewal Training Credit
Enter the IEPA Course Number

Click Select

All ISAWWA courses include the IEPA course number in the title, on the website description page and in the training booklet for easy reference.
1 - Click Select to Highlight the Course

2 - Click Select to Enter the Course into Your Training Record
After you enter the course, it will appear on this page, along with a list of the courses you have entered for your current renewal period.
