To: Exhibitors at Water Distribution Conference  
Re: Booth Tear Down Options

The committee prefers that you wait until the conference is over to tear down your booth. However, the committee does recognize that some people have other commitments.

If you do not wish to wait until the end of the conference, you are permitted to begin tearing down your booth after the lunch break.

Please be quiet and respectful of the speakers, attendees and the other vendors. If you need to talk or take a phone call please step outside of the building or into the foyer.

After the conference you will receive an email Survey, please complete the survey so we can improve your and the attendees experience at the conference!
