In the event the Board seeks to terminate any membership or individual’s ability to serve as a Delegate, the Society will notify the member, the Board will consider such action during a Board meeting scheduled not less than twenty-eight (28) days following the date the notice is delivered to the member. The notice shall also inform the member of the date of the Board meeting during which the termination will be considered, and notify the member that the member may submit a written or email response to the Board in advance of the meeting which the Board will review and consider when it determines whether to terminate the member’s membership or the individual’s ability to serve as a Delegate.

The vote of two-thirds (2/3rds) of the voting Board members present at a meeting at which a quorum is present is required to terminate the membership of a member or the ability of an individual to serve as a Delegate. The decision of the Board regarding termination is final and not subject to appeal. A member, whose membership is terminated, is not entitled to the return of previously paid annual dues or any portion thereof. A member, whose membership is terminated, shall remain liable for all sums owed to the Society. A member, whose membership is terminated, may not apply for membership in the Society without prior approval of the Board, which may be withheld by the Board in its discretion. SECTION 5.10. QUORUM. A majority of the voting Board members shall constitute a quorum for the transaction of business at any meeting of the Board; provided that if less than a majority of the voting Board members are present at the meeting, a majority of the voting Board members present may adjourn the meeting to another time without further notice. The presence or absence of non-voting Board members shall not be considered when determining the existence of a quorum.

The consent shall be evidenced in writing or email, setting forth the action taken and providing a record of the voting Board members' approvals. All the approvals evidencing the consent shall be delivered to the Secretary and filed in the Society's corporate records. Such determination shall be made by the Board with respect to a person who is an employee or agent. With respect to a person who is a director or officer of the corporation at the time of the determination: (i) by the Board by a majority vote the voting Board members who were not parties to such action, suit, or proceeding, even though less than a quorum; (ii) by a committee of such voting Board members, even though less than a quorum, designated by a majority vote of such voting Board member; (iii) if there are no such voting Board members, or if such voting Board members so direct, by independent legal counsel in a written or email opinion; or (iv) by the Members.

A right

to indemnification or to advancement of expenses arising under this Article shall not be eliminated or impaired by an amendment to this Article after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought, unless the provision in effect at the time of such act or omission explicitly authorizes such elimination or impairment after such act or omission has occurred. Indemnification provided hereunder shall continue as to a person who has ceased to be a Board member, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.
