

**International Society for Extracellular Vesicles
2020 Workshop
EVs in Immunology**

**March 5-6, 2020
National Academy of Medicine,
Buenos Aires, Argentina**

Av. Gral. Las Heras 3092, C1425ASU CABA, Argentina
Salón de la Biblioteca

Organizing Committee

Chair: Matias Ostrowski, UBA
Vice chair: Analia Trevani, ANM
Kenneth Witwer, JHU
Florencia Sabione, ANM
Paula S. Pérez, UBA

Day 1: March 5

8:00-9:00 Registration

9:00-9:10 Welcome, Introductions, Outline and the Value of ISEV Seminars and Outputs

Kenneth Witwer and Edit Buzás

9:10-9:20 Why this Workshop? Addressing Big Questions in EVs and Immunology

Matias Ostrowski

Topic #1: EVs in Cancer Immunology **Chairpersons: Mercedes Tkach and Simon Powis**

9:20-9:50 Overview 1: Mercedes Tkach. *Curie Institute. France*

9:50-10:20 Overview 2: Simon Powis. *University of St Andrews. UK*

10:20-10:50 **Oral presentations (10 min each):**

1. Luz Cumba Garcia. *Mayo Clinic Graduate School of Biomedical Sciences. USA*
2. Rocío del Carmen Bravo Miana. *Centro de Investigación en Bioquímica Clínica e Inmunología. Argentina*
3. Bianca Pachane. *Universidade Federal de São Carlos. Brazil*

10:50-11:15 **Networking Coffee Break and Sponsor Exhibition**

Topic #2: EVs in Immune Cell Activation **Chairpersons: Edit Buzas, Willem Stoorvogel, Hang Yin**

11:15-11:35 Overview 1. Willem Stoorvogel. *Utrecht University, the Netherlands*

11:35-11:55 Overview 2. Edit Buzas. *Semmelweis University. Hungary*

11:55-12:15 Overview 3. Hang Yin. *Tsinghua University. China*

12:15-12:55 **Oral presentations (10 min each):**

1. Heather Pua. *Vanderbilt University Medical Center. USA*
2. Shuaishuai Hu. *Technological University Dublin. Ireland*
3. Roosmarijn Vandenbroucke. *VIB and Ghent University. Belgium*

1:00 to 2:00 Lunch Break and Sponsor Exhibition

2:00-4:00: Roundtables

<u>2:00-4:00</u> Roundtable EVs in cancer immunology Moderators: Mercedes Tkach and Simon Powis	<u>2:00-4:00</u> Roundtable EVs in Immune Cell Activation Moderators: Edit Buzas, Willem Stoorvogel, Hang Yin
---	---

4:00-4:30 Coffee Break and Sponsor Exhibition

4:30-5:15

Wrap-up presentations from Roundtables 1 and 2 Discussion

5:15-7:00 Poster viewing

Day 2: March 6

Topic #3: EVs in infectious diseases and host/pathogen interaction

Chairpersons: Ana Claudia Torrecilhas, Martin Olivier, Lorena Martin Jaular

9:00-9:20 Overview 1: Ana Claudia Torrecilhas. *Federal University of Sao Paulo. Brazil*

9:20-9:40 Overview 2: Martin Olivier. *McGill University. Canada*

9:40- 10:30 Oral presentations (10 min each):

1. Paula Perez. *University of Buenos Aires. Argentina*
2. Lucia Vojtech. *University of Washington. USA*
3. Carolina Olivera. *Centro de Investigación en Bioquímica Clínica e Inmunología. Argentina*
4. Maria Eugenia Ancarola. *University of Buenos Aires. Argentina*
5. Ingrid Evans. *Faculdades Santa Cruz Curitiba. Brazil*

10:30-11:00 Networking Coffee Break and Sponsor Exhibition

Topic #4: EVs as immunizing agents

Chairpersons: Lynda Coughlan, Kenneth Witwer

11:00-11:20 Lynda Coughlan. *Icahn School of Medicine at Mount Sinai*

11:20-11:40 Juliana Cassataro. *Universidad Nacional de San Martin. Argentina*

11:40-12:00 Oral presentations (10 min each)

1. Leonardo Nimrichter. *Federal University of Rio de Janeiro. Brazil*
2. Dal'Mas Romera. *Universidade Federal de São Paulo. Brazil*
3. Vieira Dupin. *Universidade Federal de São Paulo. Brazil*

12:00 to 1:00 Lunch Break and Sponsor Exhibition

1:00-3:00 Roundtables

EVs in infectious diseases and host/pathogen interaction Moderators: Ana Claudia Torrecilhas, Martin Olivier, Lorena Martin Jaular	EVs as immunizing agents Moderators: Lynda Coughlan and Kenneth Witwer
---	---

3:00-3:30 Coffee Break and Sponsor Exhibition

3:30-5:30

Wrap-up presentations from Roundtables 3 and 4
