

## **Janice Stewart**

Jan Stewart is the Director of Operations and Regional Planning for the Odette Cancer Program. The cancer program is the 2nd largest program in the Greater Toronto Area with 13 Linac Machines and a 42 bed/chair chemo unit as well as three large inpatient units (104 beds). Jan moved into this role in August 2012 after a long career at the Princess Margaret Hospital in downtown Toronto where she held a variety of positions including Clinical Director; Oncology, Nurse Manager, Clinical Trials Nurse and BMT Coordinator.

Jan has completed a Bachelor of Nursing from Ryerson University and a Master of Health Studies from Athabasca University and is an Oncology Certified Nurse. Jan sat on the Board of the Canadian Association Nurses in Oncology (CANO) in the office of Treasurer for a number of terms and is the current President of the Canadian Oncology Society (COS).

Jan lives in Toronto with her husband Doug (29 years) and two sons Neil (24) and Alan (22).
