ABOUT ISNCC

The International Society of Nurses in Cancer Care (ISNCC), founded in 1984, is an international federation of:

- National Cancer Nursing Societies
- Regional Cancer Nursing Societies
- Oncology and related institutions
- Individual Cancer Nurses, Researchers and Educators

Globally, ISNCC represents over 60,000 cancer nursing professionals.

MEMBERSHIP

Membership is available to cancer nursing associations, institutions, and individual cancer nursing professionals worldwide. As a member of ISNCC, you are part of an international network of professionals in the field of cancer nursing. ISNCC members are encouraged to actively participate in the leadership of the Society by joining ISNCC committees that are working to advance oncology education, research and patient care.

ISNCC memberships expire on December 31 of every year.
